ALCOHOLIC BEVERAGES - Must be secured at all times and never left unattended at your site or anywhere on the property. Alcohol is against the law.

CIGARETTES - The discarding of cigarette butts can be done in a neat and safe manner. Please either burn them or discard them in the garbage. Make certain they are completely out first. Please do not drop them under your picnic table, chairs or on your campsite.

SPEED LIMIT - For the safety of our guests, especially the children, the resort speed limit is 5 mph. The children are having fun and get very excited; they don’t remember the basic rules of safety and dart in and out very quickly. In an effort to maintain the highest level of safety to our guests and their children, we have implemented a safety summons. We ask for your help in enforcing the 5 mph speed limit. Please report speeders to the Gate Attendants or our Rangers. License numbers, vehicle descriptions or site numbers is all that is needed. We work off a 2 strike policy. One violation will be a warning the second will require you to park your vehicle at the main lodge and walk throughout the park for the remainder of your stay.

MOTORIZED VEHICLES - All motorized vehicles and Golf Carts may only be operated by a licensed driver. For safety, we do not allow gas powered scooters, motor bikes, and golf carts. We only allow electric. No ATV’s or UTV’s. No exceptions.

NOISES/DISTURBANCES - Stay up and enjoy your campfires, but quietly please, sound travels loud and far at night. Quiet time is Sunday to Thursday 10pm to 8am, and Friday & Saturday 11pm to 8am. Respect your fellow campers. Chaining, generators, firearms, fireworks, atv’s, 4 wheelers, boating horns or boars & arrows are not allowed. To reach Security, Dial 518-623-3207 (day) or 518-708-3490 (night)

ONE STRIKE AND YOU’RE OUT POLICY - If a complaint is received by another guest or witnessed by our Security department or a staff member, we will give the offending party one warning. If you have any questions, problems or complaints, let us know as soon as possible. We are here to help you have an enjoyable camping experience.
